

TEMPLETON HONORS COLLEGE

Fact Sheet

GREAT BOOKS. GREAT CONVERSATIONS. GREAT LIVES.

FOUNDED IN 1999, the Templeton Honors College began with the belief that to those whom much is given, much will be required. Christian education should be rigorous, challenging, and character building. Students in Templeton read Great Books from the length and breadth of the Western Tradition, discuss the meaning of virtue, explore the difference between knowledge and wisdom, and work towards positions of leadership and influence in the surrounding culture.
